

You are invited to...

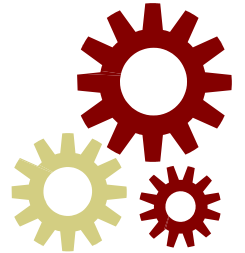

Combs Today, College Tomorrow Engineering Fair!

When: Thursday, May 16

Time: 11:30-12:30

Where: Combs Elementary in front of Media Center

Sponsored by: Mrs. Pride's Third Grade Class

Come and see future engineering students share their engineering careers.

The students have researched an engineering career, identified colleges that provide the education, and created a product for their specialty. They have business cards, posters, and brochures to spark your imagination!

Students will share their understanding of the importance of that field to their community and the global community.

You will see students involved in:

Civil Engineering

Mining Engineering

Industrial Engineering

Electrical Engineering

Environmental  
Engineering

Chemical/Paper  
Engineering

Textiles/Fashion  
Engineering

Marine/Ocean  
Engineering
